3.

It can take a long time to become successful in your chosen field, no matter how talented you are. One thing you have to be aware (51)_____ is that you will face criticism along the way. The world is full of people who would rather say something negative than positive. If you've made up your (52) _____ to achieve a certain goal, such as writing a novel, don't let the negative criticism of others deter you from (53)_____ your target, and let the constructive criticism have a positive influence on your work. If someone says you're

LIVEWORKSHEETS

totally in the lack of talent, ignore them. That's negative criticism. If, however, someone advises you to revise your work and gives you a good reason for doing so, you should consider their suggestions carefully. Up to now, there (54)_____many film stars who were once out of work. There are many famous novelists (55) _____ made a complete mess of their first novel – or who didn't, but had to keep on approaching hundreds of publishers before they could get it published. Being successful does depend on luck, to a certain extent. But things are more likely to turn out well if you persevere and stay positive.
