IELTS Writing 1 – Online Journal

Lesson 04

Directions: Please use the brainstorming list you created in class today to write a complete paragraph.

1. You should write the paragraph by hand on a piece of paper.
2. Once you have made all your corrections, please type your final paragraph into the space provided below.

    - Make sure you have a title.
    - Make sure you have the proper number of sentences.
    - Make sure your Topic Sentence has a stated topic and a clear controlling idea.
    - Make sure your Supporting Sentences give details that are related to the topic sentence and each other.
    - Be descriptive, by using adjectives.
    - Make sure each sentence is correct and complete.

3. Answer any Reflection questions that follow your writing sample.
4. Click FINISHED to make sure and save your work. If your work does not save properly, please contact your instructor as soon as possible.

Reflection Questions:

- What are three adjectives you used in your paragraph?

- What is one new thing you learned from this lesson?
