Dear Wendy,

We're having a wonderful time here in Florida. Although the day was very hot
1) we arrived, now it's cooler. The hotel 2) we are staying is
lovely, and the staff 3) work here are very helpful. The beach, 4)
is right in front of our hotel, is beautiful and the water is so warm! I think that's the reason
5) so many people choose to stay at this hotel. We've also met a nice boy
6) parents own a yacht and tomorrow they're taking us sailing!

That's all our news. See you soon.

Love,

Alex and Layla
