Holiday Review ★★★★★

This was a truly wonderful holiday – the location and hotel were both perfect for what we wanted. **(1)** At this time of year the weather isn't too hot and the town isn't overcrowded. **(2)** ..... the summer months it may be a different story. The hotel is located right in the town centre, so it's easy to walk to nearby restaurants and cafés **(3)** ..... the evening. **(4)** ..... Sundays there is also the street market, full of locals and bargains! The town itself is located on the coast so we had a spectacular view of the sea from our room. **(5)** ..... night we would sit on our balcony and admire the scenery.

The hotel also offered a full timetable of entertainment throughout the week, so there was always something to do. **(6)** ..... the mornings there would always be some kind of exercise class on offer, and **(7)** ..... the afternoons the activity was usually a game or competition of some sort. After dinner, **(8)** ..... the evenings, there was always some type of entertainment, either a comedy show or band. **(9)** ..... the weekends however, we tended to do our own thing.

I would definitely go again, but perhaps next time **(10)** ..... June, when it is perhaps a bit warmer.
