How Can You Mend a Broken Heart

I can think of younger days living for my life
Was everything a man could want to do
I could never see tomorrow
I was never told about the sorrow

And you mend a broken heart?
can you the rain from falling down?
Tell me, stop the sun from shining?
makes the world go 'round?

can you mend a this broken man? Yeah
ever win?
Somebody please help me mend my broken heart
And let me live again, la-la, la-la, la

I can still feel the breeze that rustles through the
And misty memories of gone by
But we could never see
Would you believe that no one, no one ever told us about the sorrow?

So mend a broken heart? And mine is
the rain from falling down? Baby
that old sun from shining?
the world go 'round? And sometime I have to say, yeah, say

La-la-la, la-la-la, uh-huh, yeah
La-la-la-la-la-la-la-la-la-la-la-la-la-la, tell me
