SONG : « Set Fire To The Rain » - ARTIST : Adele

cried	died	watched	kissed	saved	touched	burned

I let it **fall / fell,** my heart
And as it fell, you rose to claim it
It was **dark / night**, and I was over
Until you _____ my lips and you _____ me

My **arms / hands**, they were strong
But my **knees / feet** were far too weak
To stand in your **hands / arms**
Without falling to your **knees / feet**

But there's a side to **me / you**
That I never knew, never knew
All the things you'd **say / tell**
They were never true, never true
And the games you'd **watch / play**
You would always win, always win

But I set fire to the rain
_____ it pour as I _____ your **face / place**
Well, it _____ while I _____
Cause I heard it screaming out your name, your name!

When I lay with you I could stay there
Close my **ice / eyes** Feel you here forever
You **and / end** me together Nothing is better

But there's a side to **me / you**
That I never knew, never knew
All the things you'd **say / tell**
They were **never / always** true, **never / always** true
And the games you'd **watch / play**
You would always win, always win

CHORUS
But I set fire to the rain
_____ it pour as I _____ your **face / place**
Well, it _____ while I _____
Cause I heard it screaming out your name, your name!

I set fire to the rain
And I threw us into the flames
When it fell, something _____
Cause I knew that that was the **last / first** time, the **last / first** time!

Sometimes I wake up by the **floor / door**
That heart you caught must be waiting for you
Even now, when we're already over
I can't help myself from **calling / looking** for you

REPEAT CHORUS

Oh, no Let it burn, oh Let it burn Let it burn
