Planning for the Future: Post-College Plans

Logan: What are you going to do after you finish college?

Emily: I'm thinking of doing some volunteer work before getting a job.

Logan: Like what?

Emily: For example, volunteering abroad.

Logan: You mean like teaching English abroad? A friend of mine taught in the Ukraine, and he loved it.

Emily: I'd rather go to a developing country in Africa. I'm considering conservation work such as with World Wildlife Foundation. It'll be challenging and rewarding. How about you?

Logan: I wish I knew. I really have no plans. What can I do with a communications degree? It's either radio or TV. And it's really hard to get jobs in those fields.

Emily: Why don't you try either public relations or advertising? Both involve a great deal of writing.

Logan: I'll probably go for that. Why don't you try either public relations or advertising? Both involve a great deal of writing, and you like writing.
