UNIT TEST 4
"LET'S TRAVEL"

II. READING.

1. Let's travel

Read the text and complete the table.

I recently came back from my vacations at a place called Easter Island and now I'm in Scotland, writing this blog from home. At the beginning, I was worried and afraid, because the trip is very long. My family and I flew there by airplane and stayed in a small hotel. We were there for twenty days. Easter Island is a fantastic place. There are very nice and friendly people. There are spectacular beaches and we swam there every day. The weather is usually warm and sunny, but there was one cloudy day. There are palm trees, too. The food is delicious. We ate lots of fruit, vegetables, tuna fish and a few lobsters. We also went to see the mysterious Moais. There were many people celebrating the *Tapati Rapa Nui Festival*. That was lovely! At the end of the trip I was very tired, but I felt very happy and relaxed. I had a great time.
I hope to come back soon!
