You should visit ...

1 ... Camden Market, London. This popular market is open every day, and it's got over a thousand shops, stalls and cafés.

2 At the market, there's food from all over the world. For street food, go to KERB. There are 34 different stalls, including our favourite – Club Mexicana. Their fish tacos are fantastic. KERB is open every day from 11:00 am to 6:00 pm (7:00 pm at weekends). For those who don't eat meat, VBurger has vegetarian fast food – we love the meatless burgers there. Go to Nata 28 for fantastic Portuguese cakes and biscuits. For ice cream, go to Chin Chin Labs. It's got many different flavours as well as tea and coffee.

3 The market is also a great place for shopping. Most people go to buy clothes, but it's easy to find books, music and shoes, too. There are many stalls with original clothes that you can't buy in typical shops. People make and sell clothes and there are stalls with clothes from the past – the 1950s and 1960s clothes are popular.

4 Near the market, there's a cinema, so if you need to rest, why not watch a film after visiting it? In summer, there's an outside cinema too, and there's often live music. Check before you go so you don't miss anything!
