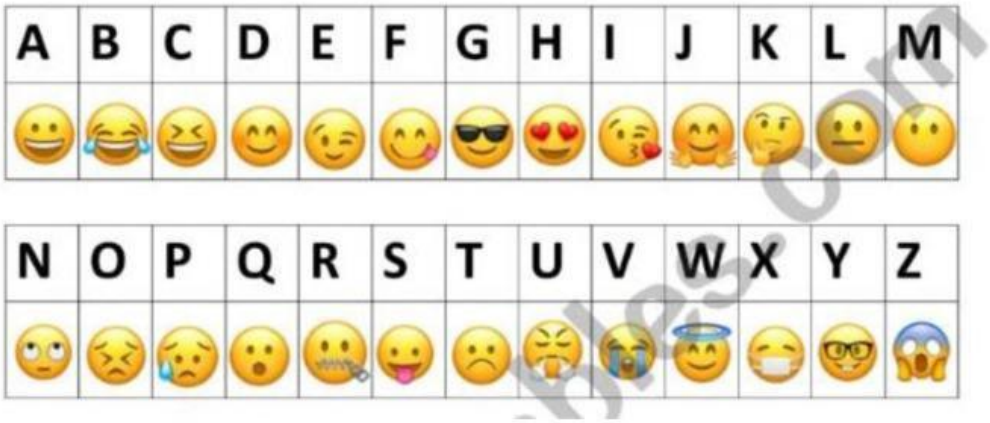
SECRET CODE



Hello! My name is _____. I'm 16 years old.

This is my first year as an exchange student in Argentina. I'm from _____

I arrived in Argentina on April 11.

I stayed in _____ for 3 days and then I came to Trelew.

I have a host mom, a host dad, and two siblings, Alma and Tahiel. Alma is really nice. We watch Tv together and go shopping. With Tahiel I play music. He plays the guitar and I play bass.

The first week was very difficult!!! I didn't have any friends, but my host family is very nice.

On the second week, I started school. Everything was new to me. New teachers, new classmates, a new language! I didn't know how to speak _____ at all!

After 3 months, I can understand what people say to me, and I can also answer some basic questions.

Can you speak another language?
