Choose the correct options to complete the text.

I (1) probably/always/really go to a show in the West End every time I visit London. (2) In fact/Definitely/Probably, I've seen over twenty shows there. The performers are (3) certainly/rarely/completely some of the best in the world; nearly every critic says so. I'm (4) definitely/constantly/politely reading reviews of all the shows that are on and when a new one opens, I book my tickets (5) frankly/suddenly/quickly because they're likely to sell out. I like to get to the theater very early and wait (6) fully/patiently/carefully while enjoying the excitement of the West End. I'm (7) definitely/always/almost one of the West End's biggest fans!
