PRACTICAL WORK: MAKE UP!

Read the following text and write the plurals:

READING: PETS!

Every weekend, I go to my grandmother's farm with my family. The animals there make me happy. When we get there, my ..... (sibling) and I run to the house. There are two fluffy ..... (sheep).

We walk around and find the dogs and cats. There are many! I love my ..... (dog) and my cats because they are always fun.

My siblings also have pets at home. They have ..... (fish) as pets, and they take care of them every day.

There is a big pond near my grandmother's house. The pond has many ..... (goose) that swim in the water. And in the field, more sheep eat grass.

This day at the farm shows us that some animals have special ..... (name) in plurals. When there's more than one, like geese, but others, like sheep and fish, stay the same.

LISTEN AND WRITE!

Watch the video and write sentences using the negative form of HAVE/HAS

Then write questions (using interrogative form of HAVE/HAS) so we can talk about them during lessons.
