Hi Elena,

Thanks for your message. I love Boston! Yes, it's cold, but my new apartment is nice and warm. Five girls live here, and we're all from different countries: China, the Philippines, Morocco, Canada, and Mexico. Three of us are students (me, Zainah, and Cindy). The other two aren't students: Cory is a sales assistant in a store downtown. And Louise is a hotel clerk, but her job's not very interesting! They're all very nice, and funny!

The apartment's great, and it's next to school! The refrigerator's really big, and the TV in the living room is big too! My bedroom is very nice, and there are two beds. So, come and see me soon!

Love,

Janice
