Complete the lyrics. Drag the verbs to the spaces. Listen and check.

picking – feeling – coming – looking – leaving – starting

I'm Still Standing

You could never know what it's like
Your blood like winter freezes just like ice
And there's a cold lonely light that shines from you
You'll wind up like the wreck you hide behind that mask you use
And did you think this fool could never win?
Well look at me, I'm back again
I got a taste of love in a simple way
And if you need to know while I'm still standing, you just fade away
Don't you know I'm still standing better than I ever did
..... like a true survivor, ... like a little kid
I'm still standing after all this time
..... up the pieces of my life without you on my mind
I'm still standing (Yeah, yeah, yeah)
I'm still standing (Yeah, yeah, yeah)
Once I never could have hoped to win
You're down the road me again
The threats you made were meant to cut me down
And if our love was just a circus, you'd be a clown by now
