Look at the pictures and match them with the lines in the poem.

1 Our teacher's multi-talented,
2 He's good at many things.
3 He paints impressive pictures,
4 And can juggle twenty rings.

5 He rides horses like an expert,
6 In this he has no **faults**.
7 He's also quite a gymnast,
8 Doing airborne somersaults.

9 He's something of a swimmer,
10 He's a **champion** at chess.
11 It's difficult to find a skill,
12 That he does not possess.

13 He speaks **a dozen** languages,
14 He's great at racing cars.
15 He's masterful at fighting bulls,
16 And studying the stars.

17 He's good at climbing mountains,
18 He can **wrestle** with a bear.
19 The only thing we wish he'd learn,
20 Is how to comb his hair.
