THE LADY'S WHIM

In 2008 was born the daughter of Johanna and John Galviz, Sofia was born the most beautiful girl, she was raised with much luxury but little education, her parents bought everything for her and she became too capricious and spoiled, when she was 9 years old there was a problem and she fought with her sister Maria because Sofia did not respect Maria's clothes or her things, Maria was a very noble person until that day she got tired and told her that she was disrespectful, Her parents arrived at night and because of the fight they punished the two girls and while Maria learned how not to fight Sofia kept fighting every day with different people until she was 15 years old and wanted to fight with a girl of a higher grade of her school and the girl because of her character did not let herself be attacked and told her that she was a very bad person and that she only deserved bad things and Sofia felt very bad, from that day she changed completely with the people around her because she realized that she made other people feel bad.
