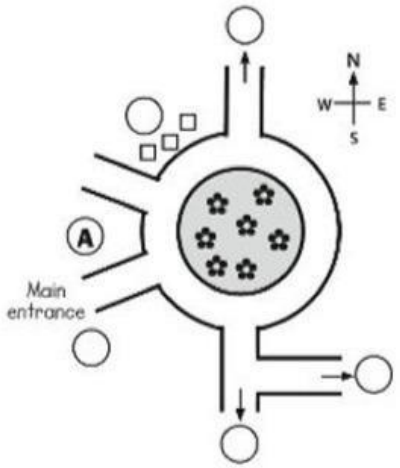
Written test - GESE 3

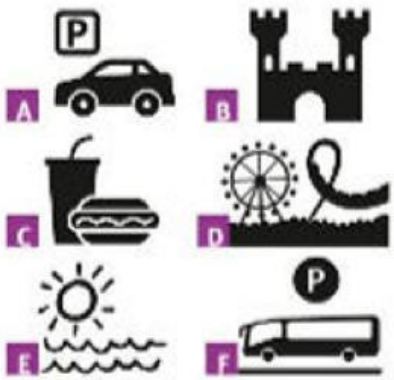
Part 1: *Writing Task*

Write a short paragraph about your typical day. Remember to use the time.

Part 2: *Local facilities*

Complete the map using the text





Next to the main entrance there is the parking lot and the bus stop. If you turn right, you can find the local restaurant, and going north there is a beautiful castle, it's a very nice place to visit. When you go south there is the beach and on the east you can go to the amusement park. It has a lot of fun attractions, I usually go there with my friends on the weekends.

LIVEWORKSHEETS

Part 6: *Weather*

Read the weather report and answer the questions

Last week, the weather was quite interesting. On Monday, it was sunny and warm. The temperature reached 25°C, and many people enjoyed the beautiful day in the park.

On Tuesday, the weather changed. It rained heavily in the afternoon, and the streets became very wet. The temperature dropped to 18°C, and people stayed indoors.

Wednesday brought cloudy skies, but there was no rain. The temperature remained cool at around 20°C. Some residents went for walks despite the overcast weather.

On Thursday, we experienced strong winds. The wind blew at 30 km/h, and it felt much colder. The temperature fell to 15°C, and many people wore jackets.

Finally, on Friday, the clouds cleared, and the sun returned. The temperature rose to 22°C, and everyone was happy to see the sunshine again.

Overall, it was a week of varied weather!

1. What was the weather like on Monday?
2. How did the weather change on Tuesday?
3. Describe the weather on Wednesday.
4. What weather condition was experienced on Thursday?
5. How did the weather change on Friday?
