GALWAY GIRL

BY ED SHEERAN

She played the fiddle in an Irish band

But she fell in love with an English man

Kissed her on the neck and ... I took her by the .....

Said: Baby, I just want to dance

I ..... her on Grafton Street right outside of the bar

She shared a cigarette ..... me while her brother played the .....

She asked me: What does it mean, the Gaelic ink on your arm?

Said it was one of my friend's songs, do you want to drink on?

She took Jamie as a chaser, Jack for the fun

She got Arthur on the ..... with Johnny riding a shotgun

Chatted some more, one more drink at the bar

Then put Van on the jukebox, got up to dance

CHORUS

You know, she played the fiddle in an Irish band

But she fell in love with an English man

Kissed her on the neck and ... I took her by the .....

Said: Baby, I just want to dance

With my pretty ..... Galway girl

You're my pretty ..... Galway girl

You know, she ..... me at darts and then she beat me at pool

And then she kissed me like there was nobody else in the room

As last orders were called was when she stood on the stool

After dancing to céilidh singing to trad tunes

I never heard Carrickfergus ever sung so sweet

Acapella in the bar using her feet for a beat

Oh, I could have that voice playing on repeat for a week

And in this packed out room swear she was singing to me

CHORUS

And now we've outstayed our welcome and it's closing .....

I was holding her hand, her hand was holding mine

Our coats both smell of smoke, whisky and .....

As we fill up our lungs with the cold air of the night

I walked her home then she took me .....

To finish some Doritos and another bottle of wine

I swear I'm gonna put you in a song that I write

About a Galway girl and a ..... night
