Describe activities or events that happened in the past in the workplace or other familiar work-related locations.

- Unscramble the following conversation. Write the conversation in the correct way in the space provide.

A: It was great! We were five engineers specializing in API and three experts from Japan trained us. I met some interesting people. They're interested in doing business with us here in Costa Rica.
A: Wonderful!
A: That seems to be a good opportunity.
A: Hi, Hellen.
B: Thanks Mike!
B: Hello, Mike. How was the API training program in Chicago? I heard you need it to get a promotion in IT Department
B: Absolutely! I also visited an international fair and I met a Canadian engineer and his company needs experts who work with API. I think we can have a potential opportunity in providing them this type of services.
