READING COMPREHENSION

1. Read the text:

Hi! My name is Alice. I'm ten and I'm British. I live with my parents and my little sister Molly in Bradford. We live in a two-storied house. It is new and wonderful.

Come in, please. This is our hall. To the left there is a kitchen. You can see a fridge, cupboards, a sink, a cooker, a microwave, a toaster, a large table and four chairs in it. It is blue in colour.

The living room is to the right. It is green in colour and very comfortable. There is a sofa, two armchairs, a bookcase, a fireplace, a large carpet on the floor, a round table on it, a TV set. There are many pictures on the walls. We like to spend our time here.

There are two bedrooms, a bathroom and a study upstairs. In parents' bedroom there is a large bed, a wardrobe, a mirror, two bedside tables. In my bedroom there are two beds, a large bookcase with books, a table with my computer, two chairs and many Molly's toys. In the bathroom there is a bath, a shower, a sink, a mirror and a toilet. There is a table with the computer, a chair, many bookcases, a lamp and a lot of father's files in the study.

Our house is surrounded by the fence. There are trees around our house. Sparrows like our trees and they often jump on the branches and twitter. Our cat Reddy likes the fence around our house and often sits on it and watches the birds.

There is a large flower-bed in front of our house with lots of flowers on it. You can see butterflies flying and sitting on the flowers. There is also cache-pot with flowers at the kitchen window.

Have a look! My sister has forgotten her toys on the lawn in front of the house. I'll take them home.
