HOMEWORK

What is it about homework
That makes me want to write
My aunt Carol to thank her for
The sweater that's too tight?

What is it about homework
That makes me volunteer
To take the garbage out
While the bugs and flies are there?

What is it about homework
That makes me pick up socks
That are stink from days and days of wear
And then clean out my toy box?

What is it about homework
That makes me wash my hair
And take an hour combing out
The tangles that are there?

What is it about homework?
You know, I wish I knew,
Because on nights when I've got homework
I find so much to do!
