**TAYLOR SWIFT: I Wish You Would**

It's 2 AM, in your car

Windows _____, you pass my street, the memories start

You say it's in the _____, you drive straight ahead

You're thinking that I _____ you now

'Cause you still don't know what I never said

***CHORUS:*** **I _____ (5 words)**

**Wish I'd never hung up the phone like _____**

**I wish you _____ that I'll never forget you as long as I live**

**And _____ (5 words) here, right now**

**It's all good, I wish you would (2x)**

It's 2 am, in my room

Headlights pass the window pane, I _____ of you

We're a crooked love, in a straight line down

Makes you want to run and hide

Then it makes you turn right back _____

**Chorus**

You always knew how to push my buttons

You gave me everything and nothing

This mad, mad love makes you come running

To stand back where you stood

I wish you would, I wish you would

I wish you would, I wish you would
