Valentine's Day traditions

Valentine's Day is on February 14th. It is a special day to celebrate love and friendship. Valentine's Day is not a national holiday. Schools, banks, post offices, and government buildings are open.

On Valentine's Day we give cards, candy, chocolate and flowers to the people we love. People say "I love you".

Children make Valentine's Day cards and bring them to school for their classmates.

Adults listen to romantic music, write love letters to each other and eat dinner at restaurants.

Popular Valentine's Day symbols include red and pink hearts, bows and arrows, and Cupid. Cupid is a little angel. Red and pink are the colours of Valentine's Day.
They represent love.
