

Name:

First 2nd grade test:

Total: 100 points

Activity 1. Listen to the audio and answer (Escucha el audio y responde):

Mark: 25 points

- 1) Is she omnivore, vegetarian or vegan?
- 2) Are these foods healthy or unhealthy?

Activity 2. Read the text carefully and decide (Lee el texto con cuidado y decide):

Name: Parsley

Scientific name: *Petroselinum crispum*.

Appearance: It is an aromatic plant up to 80 cm long. It grows two times in the year. It has a thin stem and serrated triangular leaves. It comes from the Mediterranean region.

Parsley is used for cooking because of its flavor.

Its flowers are small, a little yellow or green. It needs sun to grow and well-drained soil.

Benefits:

It has benefits for the circulatory system and respiratory system. It is diuretic. Removes bad breath.

Recipes with parsley:

Parsley Pesto Pasta
