"The Mystery of the Lost Treasure"

Once upon a time, in a small village by the sea, there was a legend about a lost treasure. The treasure was said to be hidden by a pirate named Captain Redbeard over 200 years ago. Many people had tried to find it, but no one had succeeded.

One day, two friends, Mia and Leo, decided to search for the treasure. They found an old map in Mia's attic. The map had strange symbols and a big red X marked on a small island near the village. The friends were excited and packed their bags with food, water, and a flashlight.

They rowed a small boat to the island. When they arrived, they followed the map carefully. They walked through the forest, climbed a hill, and finally reached a cave. Inside the cave, they found a wooden chest. It was locked, but Leo found a key under a rock nearby. They opened the chest and found gold coins, shiny jewels, and an old letter from Captain Redbeard.

The letter said, "To the brave soul who finds this treasure, use it wisely." Mia and Leo decided to share the treasure with the village to build a new school and a library. Everyone in the village was happy, and the two friends became heroes.
