1. Choose the correct answer related to the story.

Dear Friends Forever,

I am going to tell you about my friend Mary and I.

Mary is taller than I am, and her hair is shorter than mine.

She is stronger than me, and she can run faster than I can.

She is very friendly and nice.

I help her with homework sometimes,

because I am better at math and science than she is.

At weekends, we love to ride our bikes in the park,

and sometimes we go shopping together.

I am so happy with Mary is my best friend!

Your reader,

Gina
