The Different Between Much and Many

Much

We use much when we talk about uncountable things.

Many

We use many when we talk about countable things.

- Carrot _____

— Jeremy _____ time have you been outside? I thought you would play only 30 minutes. I needed you to clean the house.

— _____ rooms did you wash, said Jeremy.
— Only 2, but it was complicated.

— _____ beds did you have to make?
— 4 beds, but fortunately they didn't use the washroom.

— And after your dad at work, with _____ friends did you play?

— 3 mom! It was Mathis, Thomas and William. They're my best friend.
