Dear Sergio,

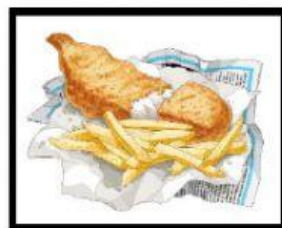

You asked me about traditional British food. I like it. Everybody likes fish and chips – that's fried potatoes. Another specialty is the English breakfast. This is a very big meal and you have to be really hungry to eat it all. For breakfast you can get eggs, tomatoes, beans, mushrooms, ham and sausages. You always get a cup of tea with it. A special meal is also cream tea – tea with scones. Scones are special biscuits. I always eat them with jam. We usually have cream tea around four or five o'clock. My favourite food is shepherd's pie – you'll try it when you come to visit.

See you soon.
