Vocabulary

1 Complete the paragraph with the words from the box.

paper crops civilisation bricks transport banks

Hi! I'm Fatima and my favourite school subject is history. I love learning about the past and especially about ancient Egyptians and their _____[1]. They lived along the _____[2] of the Nile. This river allowed them to grow different _____[3] and build houses from _____[4] made of mud. Thanks to the Nile, the Egyptians also had papyrus, a plant which they used to create a type of _____[5]. Another way Egyptians used the river was as a means of _____[6] to trade their goods.
