Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions.

The Role of Film Directors

A great film is often the result of a talented director's vision and leadership. Directors are responsible for shaping every aspect of a movie, from casting actors to selecting camera angles. They work closely with writers, cinematographers, and editors to ensure the film's story is **engaging** and visually appealing.

A director's style can significantly impact a movie. Some directors focus on creating visually stunning scenes while others prioritize emotional depth and character development. Famous directors, such as Christopher Nolan and Steven Spielberg, are known for their unique storytelling techniques that captivate audiences worldwide.

Although directing a movie is challenging, it is also highly **rewarding**. A successful film can leave a lasting impression on viewers and even influence future filmmakers. A director's ability to bring a script to life through creativity and innovation is what makes movies truly unforgettable.

Question 29. What is the main idea of the passage?

A. Film directors are responsible for making movie posters.
B. Directors play a crucial role in shaping a movie's final product.
C. Writing a script is the most important part of filmmaking.
D. Famous directors always create the best movies.

Question 30. What is the responsibility of a film director?

A. Designing costumes for the actors.
B. Writing the script for the movie.
C. Choosing the cast and guiding performances.
D. Selling tickets to the audience.
