You ..... me on

You ..... me up

Like the sweetest cup I'd share with you

Don't you ever....., I'm here with you

Now it's all or .....

'Cause you say you'll follow through

You ..... me, and I follow you

What you gonna do when things .....wrong?

What you gonna do when it all cracks up?

What you gonna do when the .....burns down?

What you gonna do when the flames go up?

Who is gonna .....and turn the tide?

What's it gonna take to make a dream survive?

Who's got the touch to calm the storm inside?

Who's gonna .....you?

Alive and kicking

Stay until your love is

To the crucial top, so I ..... see

Oh you lead me on, till the feelings come

And the .....that shine on

But if that don't mean nothing

Like if someday it ..... fall through

You'll take me home where the magic's from

And I'll be with you

Don't say goodbye, don't say goodbye

In the ..... seconds who's gonna save you?
