My Weekly Routine

Hello! My name is Emma. I live in London and I want to tell you about my weekly routine. I go to school from Monday to Friday. Every day, I wake up at 7:00 a.m., and I have breakfast with my family. My mom makes pancakes, and my dad drinks coffee. After breakfast, I get dressed, and my dad drives me to school.

At school, I study different subjects. I have Math and English on Mondays and Wednesdays. On Tuesdays and Thursdays, I have Science and History. I really like Art class on Fridays because we paint and draw.

After school, I do my homework. I study for one hour every day. Then, I have some free time to play or read.

On Mondays and Wednesdays, I go to soccer practice. I love playing soccer with my friends. On Tuesdays, I take piano lessons. I practice new songs, and I play them for my family. On Fridays, I go to the park with my little brother. We play together, and sometimes we ride our bikes.

I have dinner with my family in the kitchen at 18:30 every evening and we talk about our day.

On the weekends, I spend time with my family. We go to the movies, or we visit my grandparents. I love spending time with my family because we have fun together!
