Hello! My name's Tomas. I'm eight years old and I live in England.

I just want to talk about how my friends and I spend our free time. My best friends are Tim and David. They are in the same class as me.

When the weather is sunny, we like playing badminton and swimming. All of us love swimming. When it's windy, we usually fly a kite. When it's rainy, we play chess together or listen to music at home.

At the weekend we usually go to the supermarket at nine thirty in the morning. These activities are very interesting.
