Amazing eating!

It's Saturday 23 June and I'm talking to Daniel Baker. He travels around the USA and enters amazing food competitions, for example you must eat hot chillies or eat five hamburgers in an hour. We are in a restaurant in Texas.

A I am in this restaurant for their new food competition. This is a big challenge. I must eat a large pizza in thirty minutes!

B No, it's not! It is difficult to eat lots of food in a short time.

C I love most food, but I really love hamburgers. And pasta too! I don't like eating sweet things like chocolate or fruit.

D There are lots of people! Some people follow me to all the competitions I am in! I think there are about 100 people in this restaurant. They are all watching me!

E I don't eat the day before a competition. I always exercise a lot and I drink a lot of water.

F I often win prizes! This is sometimes money or T-shirts! And I have fun too!
