Hello! I'm Ms. Olivia Wilson. I'm a nurse and I work in the Central Hospital of my town. My days are always different. Sometimes I work during the day, but other times I work at night. On Sundays and Wednesdays I don't work at all. On those days I get up at half past eight and have a big breakfast. After breakfast I get changed and go grocery shopping.

When I get back home I eat lunch. After I take a nap, I go to the gym and work out for an hour. I love running on the treadmill. Then I go home and take a shower. After that, I eat dinner. Finally, I go to bed and read for about half an hour. I'm really tired after a busy day!
