ready - practice - effort - learn - good -
polite - speak - English - correct - ~~student~~

Are you a good language _____**student**_____? How can you be a good language student?

When you study English, it is important to remember some things. Some people have the wrong idea about being a good student! Let's talk about four things that being a _____ student is not.

First, you don't need to always be _____! In a class, there are many things you don't know. The important thing is to _____ more and more every day!

Secondly, you don't need to get it immediately. Sometimes, learning _____ is difficult. It's ok to feel frustrated, just make an _____!

Thirdly, you don't always have to shut up and say the teacher is right. It is important to _____ in English class! You can practice listening in other ways, but in the class, you can _____ speaking.

Finally, you don't just have to be ready, on time, and _____. It's important to be a kind student. It's important to come to class. It's important to get _____. But there are many more things to remember!
