Read Dave's letter to Sam and mark the sentences true (T) or false (F):

Dear Sam,

I am at holiday camp now. The camp is OK but there are many rules here.

We go to bed at half past nine every night. We can't talk in bed after ten o'clock. I don't like this because at home I go to bed later. Every morning after breakfast, we clean the kitchen. I don't like cleaning on my holiday! We can't go out of the camp alone. We always need an adult with us. This is boring.

My friend Lily is lucky. She stays at her grandparents' house. There are only two rules there. She can't wake up her grandfather because he is sick and sleeps a lot. She takes the dog for a walk every morning. That's all! I think Lily's grandparents are very nice. Her holiday is better than mine.

Write to me soon!
