NATIONAL SCIENCE AND TECHNOLOGY WEEK

My Mom Works with Technology

My mom uses a **phone** to call people.

My mom uses a **camera** to take photos.

She turns on her **computer** and checks her e-mail.

Think about your house and your school. Draw 4 kinds of technology and write their names.

Technology is cool!

globed.
LIVEWORKSHEETS

Let's invent something!

Robots help us!

Design a new robot.
What can it do for you?

Draw your robot

It can _____

It can _____

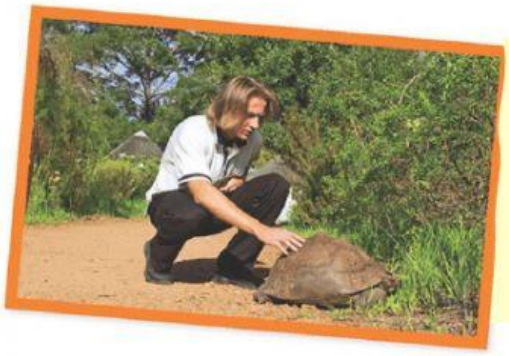
It can _____

globed.
LIVEWORKSHEETS

SCIENCE IS FUN!

Scientists study many different things and work in many different places.

A botanist studies plants like trees and flowers.



A zoologist studies different animals.

Go outside and find a flower or a little animal. Look at it closely. Then, write and draw about it!

What is it?

_____

Where do you see it?

_____

What color is it?

_____

What does it look like?

_____
