Suliko (soul) (COMPLETE THE SONG WITH MISSING WORDS)

I was looking for sweetheart's ,
But I couldn't it, it was lost.
I cried my heart out:
'Where are you, my Suliko?!"

I noticed among thorns,
Which was blossoming there .
With excitement I asked:
"Are you my Suliko?!"

Nightingale was silently
Hiding in the
I inquired with soft :
"Aren't you my Suliko?!"

floundered,
And touched her to the flower,
Twittered and groaned,
As if She said: "Yes, I am!"

I was looking for sweetheart's grave
But I couldn't find, It was lost.
I cried my heart out:
"where are you, my Suliko"?
