Haven't Met You Yet

I'm not surprised, not everything lasts
I've **(1)** _____ my heart so many times I stopped keeping track
Talk myself in, I talk myself out
I get all worked up then I let myself down

I **(2)** _____ so very hard not to lose it
I came up with a million excuses
I **(3)** _____, I thought of every possibility

And I know some day that it'll all turn out
Chorus:
You'll make me work so we can work to work it out
And I **(4)** _____ you kid that I'll give so much more than I get
I just haven't **(5)** _____ you yet

I **(6)** _____ have to wait, I'll never give up
I guess it's half timing and the other half's luck
Wherever you are, whenever it's right
You'll come out of **(7)** _____ and into my life

And I know that we can be so amazing
And baby your love is gonna **(8)** _____ me
And now I can see every possibility

Somehow, I **(9)** _____ that it'll all turn out
(Chorus)

They say all's **(10)** _____ in love and war
But I won't need to fight it
We'll get it right and we'll be united
