4 Read the text. Write T (true) or F (false). (5 points)

In some cities, people can't drive their cars every day. On some days, they have to walk, cycle, or take the bus. For example, in Paris, the first Sunday of every month is car-free. Before, there were a lot of problems with the air because there were so many cars.

In Mexico City, there were also a lot of cars and the air was dirty. In 2008, they said people couldn't drive in the city center on Saturdays. Some people didn't like taking the bus, so they went by taxi. The air in Mexico City wasn't better when they studied it in 2017.
