Task 4. Read the text below. Choose from (A-H) the one which best fits each space (17 - 22). There are two choices you do not need to use.

Cinecity

Cinecity is an entertainment complex just outside my town (**17**)_____to meet their friends and have a good time on Saturdays and Sundays. Apart from a dozen cinemas screening the latest films, there are cafés, fast-food restaurants, a gym and a bowling alley.

The cinemas are popular and offer a range of films to suit all tastes, although I have the impression that most people prefer the other facilities, (**18**)_____. In fact, you'll find the karaoke bar is one of the liveliest spots because, (**19**)_____, you'll be encouraged to pick up the microphone and sing to a live audience.

Cinecity is several kilometres from the town centre, (**20**)_____ because it's still easy to get there by public transport. In fact, taking the underground is probably the best way to avoid the heavy traffic at weekends.

Cinecity is a great place for anyone under the age of 25 because it has such a variety of things to do (**21**)_____. What is more, you can buy a ticket with a discount to several different activities, (**22**)_____.

A even if you've never done it before

B which was built to make the habitants more happy

C where thousands of young people go

D but don't worry if you don't have a car

E which give them the opportunity to talk and do activities together

F where you would spend most of your day

G so you'll have lots to talk about afterwards

H that you are sure to have a great time
