Present simple.

Exercise 1. Match the description with the correct job. (Write in the box the correct number)

1. My job can be funny but difficult. I play different instruments like guitars, violins or pianos. I sometimes compose music for my band.

2. I love to paint pictures. I am crazy about working with paints and brushes and use different techniques. I learn about famous painters.

3. I love animals. I love them so much that they are my patients. I make sure they stay healthy. I cure them when they are sick.

4. I fly in the sky like a bird. I travel around the world. People think my job is easy but it is actually hard; I have to check measures of the plane, and check the weather to travel.

5. We look for missing dogs, cats, and missing people. We search for clues. The clues will help us solve the mystery.
