We use **will / won't** + verb to make predictions about the future.

Affirmative	**Negative**
People **will** live on the moon.	People **won't** go to the moon.
We **will** travel in spaceships.	We **won't** wear different clothes.

We can use **Will...?** to ask yes/no questions about the future.

Questions	**Short answers**
Will it be warmer in the future?	Yes, it **will**.
Will we all be astronauts?	No, we **won't**.

I'll = I will
He'll = He will
won't = will not

We can use **What will...?** to form an open question about the future.
What will people do in 2050?

3 Make your own predictions about the future. Circle the words that you think are true.

I think Earth **will / won't** be warmer and more crowded. There **will / won't** be more traffic on the roads. We **will / won't** have cars that can fly. We **will / won't** travel by supersonic plane. We **will / won't** have vacations in space. We **will / won't** have robots in our houses.
