Reading 1

Five young people all want to do something fun in their free time. Read the article and choose which activity would be the most suitable for each person. Match the description of activities with the people.

Fun finder!

Activities for teenagers in the local area.

A

Every week we'll show the latest films. We'll show them in the park and have discussions afterwards. There will be a barbecue, and you don't have to pay!

B

Every Friday at 6pm there will be a running club. We will go out into the streets and countryside, running for 5–10 kilometres. You need to be fit!

C

Do you like singing? Come along and sing your favourite tunes at Karaoke Time! Every Saturday afternoon, we will be in the local karaoke studio and you can come too!

D

Are you interested in kayaking? Spend time with us in the sea learning how to do it! We have double kayaks, so come with a friend or we will match you with someone.

E

Are you good at sports? Beach basketball is a new sport. The ball is lighter, so you can play on the beach. Come along every Wednesday!

F

Do you play an instrument? Every Monday night you can relax and listen to new classical music from around the world and then we will study how to play it.

G

Do you like learning languages? Come to language club. This takes place twice a week and you can meet people from other countries and learn how to say things in other languages.

H

Are you interested in food? This is your club! Learn to make foods from countries around the world, like curry and tacos. We will give you a list of ingredients to bring with you.
