bottles care die environment litter plastic ~~protecting~~ puts save throw

Hi! I'm Annie. This is my blog about (1) protecting Britain's beaches. Over the past decade, the rubbish on our beaches has got much worse ☹ – there's twice as much rubbish as ten years ago!

People leave plastic (2) _____, cans and other (3) _____ after their picnics. Some rubbish comes from the sea too. People on ships (4) _____ things into the water. The rubbish looks terrible and it (5) _____ seabirds in danger. It's very dangerous for whales and dolphins too. They think plastic bags are food and eat them and they (6) _____. ☹☹☹

I'm a volunteer for the Marine Conservation Society (MCS). We want to clean up our beaches. We meet every month and collect big bags of rubbish. Do you (7) _____ about our beaches? Come and help us! If you come, you'll have fun and you'll help the (8) _____. ☺☺☺

4 **Przeczytaj ponownie tekst z ćw. 3 i odpowiedz na pytania.**
