Futuroscope – fun for all the family

Over 50 million people have visited Futuroscope, one of the most popular amusement parks in France. The park is near the city of Poitiers in western France. Poitiers is an hour and 20 minutes from Paris by train. The park is 20 minutes by taxi from Poitiers. You can also fly to Poitiers directly from London.

Inside, there are over 25 experiences to enjoy in different buildings around the park. With your 3D glasses, enjoy 3D films on a giant 600 m^2 screen and 3D rides with 4D effects, like the seat moving up and down when you're in a boat. Tired or hungry? There are lots of places to rest and several restaurants to eat in. In the evening, don't miss the fantastic light show!

Gary301

For me the best thing about Futuroscope was the Time Machine. We wore 3D glasses and travelled through time with some crazy cartoon rabbits. I thought it was very funny!

Travelbug

All the staff who work at the park were very friendly and spoke English. But we saw lots of people waiting in queues to go on the more popular rides. We agreed it wasn't cheap to enter.

JazzyJoe

The Dances with Robots attraction was amazing with great music from a virtual DJ. The park wasn't very expensive in my opinion. I don't speak French but that wasn't a problem because they gave us free headsets to translate the audio.
