Emma: Hi.
Poppy: Hi.
George: Check this out!
Poppy: Is that a selfie with Adrianna? The pop star? You're kidding!
George: No, I'm not! Honest!
Emma: Yesterday afternoon, about four o'clock, we were hanging out in the park. That's where we saw Adrianna!
George: Harry wasn't with us, because he was playing tennis.
Poppy: What was Adrianna doing in our park? Was she jogging?
Emma: No, she wasn't. She was there with a film crew. They were filming the video for her new song.
George: We talked to her and took some photos.
Poppy: And I wasn't there! That's not fair!

Emma: You were at home. You were studying.
Poppy: No, I wasn't studying. I was at the shops with Mum. We were looking for a new hairdryer. Aargh! Stupid hairdryer!
Emma: Harry's also very upset. He's a big fan!
George: You know what? I think I can do something about that … I just need to download an app first …
