My grandparents aren't in the UK. They're in Italy. Their house is next to the sea. Granny has got a garden. It's in front of the house. Grandad has got an old car and a new car. They're in the garage next to the house.

The house is perfect for holidays. It's got one bedroom for my grandparents, one for my parents and one for me! There's a small bathroom too. The kitchen is the only big room. It's got a fridge, a table, some chairs and an old sofa. And it's got a television! It's fantastic!
