I. Read the paragraph and check " True" (T) or " False" (T)

My favorite novel is Five Point Someone. It is an Indian novel. The author is Chetan Bhagat. The story is about three students, Farhan, Raju, and Ranchoddas. They work hard and become sucessful after finishing school. They help each other a lot. This shows people that they can learn new things anywhere. People then made the novel into a popular Indian movie called 3 Idiots in 2009. Millions of young adults and teenagers love the novel and the movie.

II. Read Jian's email and choose the best option (A, B, C or D) for each of the following questions.

Hi Sammy!

Thanks for your email. We're celebrating Chinese New Year at the moment. We celebrate it in the first month of spring. It's a very important festival for Chinese people. Before the celebrations, we clean our house. This is a tradition – we wipe away all the bad things. On New Year's Eve, we have a special meal with our family. We eat traditional food and watch fireworks at midnight. We also wear red clothes. Red means fire, so we believe that our red clothes help chase away bad spirits. When we wake up on New Year's Day, we always find red envelopes in our beds. There is money in them – they're presents from our parents and grandparents. We watch dragon dances, too. They're my favorite part of the festival. I love Chinese New Year, because I like all the traditions and I like being with my family.

Write to me about one of your festivals.

Take care.
